

CAIRNS FOUR WHEEL DRIVE CLUB INC.

CLUB PACK

TO WHOM IT MAY CONCERN

The Cairns Four Wheel Drive Club Inc. has produced this Club Pack with the aim of distribution to all existing members, private property owners, community organisations and relevant government departments.

Existing and new club members may use the Club Pack as a reference guide in regard to conducting club activities (excluding the Constitution).

Private property owners and community organisations may find the information provided with the pack helpful in making decisions that may lead to a rapport between these groups and Cairns Four Wheel Drive Club Inc.

Relevant government departments are invited to view the Club Pack so as to be able to make an informed decision in relation to club activities and requests and to be reliably advised of club structure and aims.

Cairns Four Wheel Drive Club Inc. has an objective towards raising the club's profile within the community and demonstrates that our club activities are conducted responsibly, safely and practiced in an environmentally sustainable manner.

We encourage feedback from any interested parties. We also invite individuals/organisations to make contact with the club with any queries or suggestions they may have regarding club activities.

**PRESIDENT
CAIRNS FOUR WHEEL DRIVE CLUB INC.**

The Cairns Four Wheel Drive Club Inc. was formed in 1975 by a group of adventurous minded individuals with a passion for FOUR WHEEL DRIVING / CAMPING / EXPLORATION and CAMARADERIE.

This tradition continues with the Club with the interaction of all members and families enjoying DAY TRIPS / WEEKEND TRIPS and EXTENDED TRIPS in the bush. Members also involve themselves in SOCIAL ACTIVITIES and COMMUNITY PROJECTS including the Mount Mulligan / Thornborough cemetery clean-up's which assist in preserving the relics of our North Queensland history.

The Cairns Four Wheel Drive Club Inc. is a member of Four-Wheel Drive Queensland which is a State Body enabling our views to be represented on topical issues as required.

We are also a member of Four-Wheel Drive Australia which is the National Body that represents the 4WD community. The club follows their 4WD Code of Conduct and these ideals are practised on all club trips and we support 4WD touring as a responsible and legitimate recreational activity.

The club also supports a 4WD Skills and Safety program.

Club meetings are held on the FIRST WEDNESDAY OF EVERY MONTH (except January) at the RED BERET HOTEL, 411 Kamerunga Rd, Redlynch QLD 4870. Meetings commence at 7.30 pm.

You are invited to attend and sample our hospitality.

Prospective members are invited to accompany the club on one (1) trip plus vehicle inspection and induction discussion (see Trip Gradings) prior to becoming a financial member of the club.

Interested persons may contact the Club Secretary at:

FOUR WHEEL DRIVE CODE OF CONDUCT

1. Obey the laws and regulations for Recreational Vehicles that apply to public lands. (They may change from State-to-State.)
2. Respect the cultural, heritage and environmental values of public/private land, by obeying restrictions that may apply.
3. Respect our flora and fauna. Stop and look, but never disturb.
4. Keep to formed vehicle tracks.
5. Keep the environment clean. Carry your own, and any other, rubbish out.
6. Keep your vehicle mechanically sound and clean to reduce the environmental impact.
7. Adopt minimal impact camping and driving practices.
8. Seek permission before driving on private land. Do not disturb livestock or watering points, leave gates as found.
9. Take adequate water, food, fuel, basic spares and a first aid kit on trips. In remote areas travel with another vehicle and have Royal Flying Doctor Service, or equivalent emergency contact by radio or satellite.
10. Plan ahead and lodge trip details with a responsible person.
11. Lower your tyre pressures, don't try and get through at highway pressures.
12. Enjoy your recreation and respect the rights of others.
13. Support four-wheel drive touring as a legitimate family activity.
14. Consider joining an affiliated four-wheel drive Club.

THIS CODE IS ONLY VALUABLE IF YOU OBSERVE IT.

**DO NOT DESTROY WHAT WE HAVE COME TO ENJOY.
LEAVE ONLY YOUR FOOTPRINTS IN THE SAND.
TAKE HOME ALL OF THE REFUSE THAT YOU BRING IN
SO, WE CAN LEAVE A CLEAN HEALTHY LAND.**

TRIP GRADINGS

A grading system of levels 1 to 5 is used to assist members in deciding which trips they would most enjoy and which trips would suit the driver's experience and abilities. This system of grading is a *guide* only. The grade assigned to a trip may change, due to weather conditions, and the trip leader should be consulted in such circumstances. The trip leader has the right to reject a request from a member / driver who is considered under experienced relative to the grade of trip. It should also be mentioned at this time that it is also up to the discretion of the trip leader to reject a member / driver, depending on the condition of their vehicle. e.g. tow hooks, ground clearance, roadworthiness. All members and Temporary Member over the age of 16 are required to sign the trip sheet before leaving designated meeting place.

GRADE 1	Very easy with little, if any, four-wheel driving involved - Will usually consist of a scenic tour and an easy trip to camp.
GRADE 2	A relatively moderate 4WD trip - Winching and/or towing unlikely.
GRADE 3	A medium 4WD trip - Will require cautious driving. Winching should not be necessary.
GRADE 4	A moderately difficult 4WD trip - Winching and/or towing will most probably be required.
GRADE 5	An extremely difficult four-wheel drive trip, participants must be experienced at travelling over difficult terrain. Winching and or towing will definitely be required.

DRIVER EXPERIENCE

Conditions of some trips at Grade 3 may prove difficult to inexperienced drivers. You should advise the trip leader of your level of driving experience and vehicle equipment when signing up for a trip.

New members should attend a club induction day before attempting a trip above Grade 2/3. Temporary members are required to have completed the vehicle check list and induction discussion before joining any trip. Temporary members will not be allowed to attend in their own vehicle on any trips over a Grade 2.

Note: If the minimum vehicle requirements as per the attached check list are not met it is the owner's responsibility with the agreement of the trip leader whether they continue/join a trip.

Cairns Four Wheel Drive Club Inc. By-Laws

1.0 MEMBERSHIP

1.01 Non-members seeking membership are required to:

1. Have a compliant vehicle as per the vehicle check list plus completed the induction discussion.
2. A club trip not higher than level 2* (*See 'Trip Gradings' for details of levels)
3. One general meeting
4. Membership Application must then be submitted with prescribed fees.
 - Confirmation of attendance at an induction day will be Completion and Signing off of an "Induction Safety Checklist"
 - The completed checklist attached to a membership application form together with relevant fees is to be forwarded to the Treasurer.
 - The Management Committee will accept or deny the application at the next dated management meeting. The prospective member will be advised accordingly in writing.

1.02 Membership Types

- 1) ORDINARY – fully paid financial members
- 2) TEMPORARY MEMBER – deemed as a Temporary Member upon signing the Club Attendance Book at the monthly General Meeting and completed 'Sign On' for a 4WD trip. Duration of membership is until the closing of the meeting or completion of the trip

2.0 CLUB OUTINGS

- 2.01** Temporary Member should contact the trip leader before the day of the trip, preferably by attend the general monthly meeting of the club held immediately prior to the outing and introduce themselves to the Trip Leader. Permission to attend is then at the Trip Leader's discretion. Should the Trip Leader not be in attendance at the meeting, the Trip Coordinator will provide a contact phone number. Temporary Member will not be allowed to attend in their own vehicle on trips higher than Level/Grade 2.
- 2.02** Club members are responsible for their Temporary Member. They are to ensure that their Temporary Member are aware of and adhere to the Club By-laws and Constitution.
- 2.03** Club members must be financial in order to attend any club outing.
- 2.04** At the beginning of each club outing, participating members, and Temporary Member 16 years and over must register their names and details by completing the appropriate section of the 'Trip Sheet'. In so doing they thereby agree to follow instructions from the Trip Leader and abide by the Club 'By-laws'. Failure to register in the 'Trip Sheet' will constitute non-attendance on the outing and will mean the 'driver', their 'vehicle' and its 'passengers' will not be covered by the club liability insurance.
- 2.05** Participating members, non-members and Temporary Member on club outings shall at all times conduct themselves and drive their vehicles in a manner befitting the dignity and good name of the Club.
- 2.06** The F.W.D.A. Code of Conduct will be followed on all club outings.
- 2.07** The Trip Leader in consultation with the Trips Committee is responsible for rating club 4WD outings in one or more of the designated categories. The rating system is an anticipated guide only of what may be expected on a club 4WD outing and is the personal opinion and judgment of the Trip Leader at the time of the reconnaissance. Participation in a 4WD outing or attempt at negotiation of any "4WD obstacle" is entirely at the discretion and judgment of each individual driver. The designated categories are 1 to 5.
- 2.08** Members and Temporary Member driving their own vehicle(s) are responsible for ensuring that their 4WD vehicle is registered, insured for a minimum of third-party property damage, and is maintained in a sound condition at all times on club outings. Should a vehicle in the opinion of the trip leader be unsuitable for the trip, the Trip Leader, in consultation with other members, shall declare it unsuitable for the trip. This decision may be made on the day of the trip, at the departure point of the trip or, if the condition of the vehicle is known before that time, prior to that day. Acceptance of a vehicle on a club outing does not negate the driver of the vehicle from sole responsibility

for the condition of the vehicle. The club reserves the right to demand a certificate of roadworthiness from an authorized Inspection Station at the member's expense.

- 2.09** Members and Temporary Member are responsible for ensuring they have all their required provisions and safety equipment (including First Aid kit and Fire Extinguisher), and that their vehicle fuel tank is full immediately prior to the departure time of a club outing. This stipulation may not apply for club activities in the local area when minimal distances are involved.
- 2.10** Members are responsible for ensuring that their 4WD vehicle is carrying at least the minimum recovery gear on club outings. Minimum recovery gear on club trips is deemed to consist of the following:
- Currently registered
 - Roadworthy tyres
 - Suitable front recovery point, after market or OEM
 - Suitable rear recovery point, after market or OEM
 - Serviceable snatch strap of suitable capacity
 - Two shackles (Bow type or soft) rated appropriately for your vehicle
 - Serviceable first aid kit
 - Shovel
 - Serviceable fire extinguisher
 - Compressor (recommended)
 - UHF radio (recommended)
- 2.11** No unofficial competitions or display of "Four Wheel Driving" shall take place on club outings.
- 2.12** Prior to entering private property, the Trips Committee must obtain permission from the owners. When it is anticipated that Crown Land will be traversed on a club trip, all required permits must be obtained; members and Temporary Member must comply with the required permits.
- 2.13** Track and roads must not be deviated from, unless totally unavoidable, and then only with the Trip Leader's permission. Any damage caused to tracks and roads will be repaired where required and/or where practicable.
- 2.14** Members and Non-Members will not give 4WD property access information to any person who is not a member of the Club. Upon revisiting any property, members and/or Temporary Member should seek permission and advise the property owner they are not part of a club trip.
- 2.15** Convoy procedures are to be adhered to at all times from the point of departure of all trips unless advised otherwise by the Trip Leader.
- 2.16** Where a club trip exceeds ten (10) or more vehicles a 'Trip Assistant' may be nominated to travel and remain in the middle of the convoy at all times.
- 2.17** All Members and Temporary Member intending to participate in a club trip/outing are expected to be at the designated meeting place 30 minutes prior to the announced departure time. Members and/or Temporary Member, if necessary, may join a convoy at a predetermined point as arranged with the Trip Leader. (It is advisable to confirm the point of intersection with the convoy within 24 hours of the trip departure).
- 2.18** Should the planned route need to be changed for any reason, the Trip Leader in consultation primarily with members, will make the final decision. Should the decision involve dividing the group into two groups (one group possibly back tracking or taking a less challenging route to cater for particular vehicles and/or drivers' capabilities), the trip leader must ensure that the newly formed group is led by an experienced member. Should there be no suitable new leader, the original group shall stay unchanged, and the trip leader shall decide to lead the whole group by the most appropriate route.
- 2.19** Bushfire regulations shall be obeyed at all times.
- 2.20** Club members will have preference on all limited vehicle activities but Trip Leaders will endeavor to cater for Temporary Member who aspire to become new members.
- 2.21** Fauna and Flora will not be disturbed. Fishing accepted where legal.

- 2.22 In the event of an incident members and/or Temporary Member are to complete an incident report. The form is to be held with the Trip Book.

3.0 GENERAL

- 3.01 Dogs are allowed where permitted under control, except where trips traverse National or State Parks. Please be guided by trip notes in the advertised trip calendar on this issue.
- 3.02 A porta potty or portable toilet per vehicle **MUST** be carried and used for overnight camping trips. This by-law applies to Temporary Member as well as members.
- 3.03 Camp and billy fires must be made safe before being left unattended and must be totally extinguished before breaking camp. They are not to be buried under sand or dirt as the coals can remain very hot long after the site is vacated.
- 3.04 **Prior to leaving after breaking camp**, members and Temporary Member will ensure that the camp site is left clean and free of litter and that all rubbish is disposed of at an approved dumpsite.
- 3.05 No alcohol shall be consumed while on a club outing until the day's driving activities have been completed. The Trip Leader will inform participants when alcohol free 'dry' areas are to be visited and will pass on details of such restrictions. Such restrictions **MUST** be followed.
- 3.06 The Road Transport rules and the Traffic Act and Regulations should be adhered to at all times.
- 3.07 The use of generators is permitted with consideration for other trip participants. Contact the Trip Leader before using any generator.
- 3.08 Illegal drugs are not permitted on club outings/trips.
- 3.09 Firearms and weapons are not to be carried on club outings/trips.
- 3.10 The use of fossicking and mining equipment without permission from property owners/managers is not permitted.
- 3.11 Parents or Guardians are responsible for all activities in which their children participate.
- 3.12 Once members' children reach the age of eighteen, they are required to become members in their own names and be subject to the privileges and responsibilities of the Constitution and By-laws.

CAIRNS FOUR WHEEL DRIVE CLUB INC.

CONVOY PROCEDURES FOR OFF-HIGHWAY SITUATIONS

Convoy procedures must be adhered to at all times on a club trip, from the point of departure, unless advised otherwise by the trip leader.

1. All Convoys shall have a Trip Leader at the head of the Convoy, and a Tail End Charlie at the rear of the Convoy.
2. The Trip Leader has overall control of the Convoy.
3. All participants shall abide by the discretions and the instructions given by the Trip Leader or the Tail End Charlie.
4. All drivers are responsible for their passengers, and must observe road rules, at all times.
5. The Tail End Charlie and Trip Assistant, when appointed in Convoys, are to assist the Trip Leader in the running of the Convoy.
6. All drivers are responsible for the vehicle **behind them**, and take note of that vehicle i.e. make, colour, driver, etc.
7. Each vehicle must wait at each intersection, until the next vehicle can observe the direction of the route undertaken. The following vehicle shall acknowledge any change in direction, by use of the vehicle indicators.
8. Should a vehicle become separated from the Convoy, **wait** at that location and a vehicle will return for you, unless instructed by the Trip Leader or Tail End Charlie otherwise.
9. When a gate is encountered the Trip Leader will advise the Convoy of the status of the gate and if necessary open the gate. Each member waits at the gate until next vehicle is ready to proceed to ensure that no stock or feral animals move through the open gate. The Tail End Charlie is to close the gate and advise the Trip Leader.
10. In hilly country or water crossings, allow the vehicle in front to clear the obstacle before following. On difficult hills/crossings, wait, clear of the obstacle in case assistance is required. Once the next vehicle has cleared the obstacle move on and allow sufficient room for all vehicles remaining in the Convoy to clear the obstacle.
11. Acknowledgement to commence the obstacle will come via the CB RADIO, from the driver of the preceding vehicle and or the Trip Leader/Trip Assistant when it is safe to do so.
12. Any vehicle wishing to leave the Convoy, or stop, shall wave through the remaining vehicles and inform the Tail End Charlie and the Trip Leader of his/her intentions. Members must advise the Trip Leader if they do not intend to complete the trip as detailed.
13. In recovery situations, the Trip Leader or a designated person will give instructions regarding safety and recovery procedures. Radio channels are to be kept open to allow communication between Trip Leader, Tail End Charlie and those involved in the recovery.
14. Radio communication will not be accepted as a substitute for standard convoy procedures.
15. A "BUDDY SYSTEM" may apply to Non-Members/New Members. The appointed "BUDDY" will remain in Convoy with his/her new member at all times (including the gate procedure).
16. Where difficult sections may exist (e.g. river crossings, wash outs, etc.) the Trip Leader may determine that a vehicle will be recovered to minimize environmental impact.

CHAINSAW OPERATION AND VEHICLE RECOVERY

The purpose of this article is to give some guidance on managing the event, it is in no way an attempt to educate anyone on the finer details of vehicle recovery or chainsaw operation or appropriate PPE.

Some background; during the removal of a tree recently some concerning (though well intended behaviour) was observed by some of our members which has prompted this article. Upon reflection, the basic safety guidance is also relevant to recovery operations.

For many people the feeling of being judged for not “getting stuck in” can be overwhelming, this is quite understandable. All of our members, safety is paramount.

The best and safest outcomes are always preceded by planning, risk assessment and the appointment of competent people to carry out and manage the task.

We have outlined a number of suggestions below for consideration if you find yourself involved in a recovery or tree removal operation.

1. Agree on a team leader for the event, this should ideally be the most experienced member in your group. Their role is to implement whatever plan has been agreed by all involved.
2. Also, if there are enough experienced people available appoint a safety observer and ensure all are aware of and respect their role.
3. If you are not directly involved and or directed by the team leader to carry out a task, stay out of harm’s way:
 - a. For a chain saw this is a minimum of 5 meters at all times.
 - b. Do not approach a chainsaw operator without making eye contact and acknowledgment of your intent to approach.
 - c. Never approach if the chainsaw is being used.
 - d. Ensure you are clear of any falling hazards, or for recovery, at a minimum, the distance equivalent to the total length plus 25% of any ropes or slings in use. This is from the recovery vehicle and vehicle being recovered recovery points.
 - e. Never work under a vehicle which is suspended solely by a jack, place a spare wheel or similar object under the vehicle.
 - f. Ideally children should be in a vehicle, under constant supervision and a safe distance from harm.
 - g. If you want to be mentored/learn from the event, ask if you can buddy someone.
4. If it’s not working as planned STOP, reassess, then start again with the new/modified plan.
5. If you see or sense something is amiss, CALL IT OUT to the team leader or safety observer, you may prevent a serious injury or worse.
